HACCP International Pty Ltd certifies the products listed above as suitable for use in food processing and food handling environments in facilities that operate in accordance with a HACCP based Food Safety Programme.

These systems are to be applied by approved installers, in accordance with the manufacturer's instructions and recommendations.

Licence Commencement 22 August 2023

Certificate Issue Date *RM* 28 August 2023

HACCP International's evaluation and certification is strictly confined to matters of food safety or the operation of a HACCP based Food Safety Programme. Whilst all reasonable care is taken by HACCP International in its evaluation of the product(s) or services(s) described herein, HACCP International does not guarantee that every food safety risk in every application has been identified. No guarantee is offered or implied in the issuing of this statement.

Licence Agreement

Fosroc International Limited is licensed to use the HACCP International certification mark, in accordance with HACCP International's Certification Trade Mark Rules and Conditions in All Regions (Global), in respect of the products listed above, for a period of 24 months from the licence commencement date. Fosroc International Limited is in receipt of the HACCP International Pty Ltd Certification Trade Mark Rules and Conditions v3.0 and agrees to abide by the conditions therein.
